RE: Metro Container Corporation Site

Dear Mr. Falkin:

Confirming our phone conversation of April 21, we received your request for information on the above-captioned site on April 14, 1988. We have reason to believe that several of our sites have used this facility. Therefore, in order to make a reasonably complete response we requested additional time. You granted us an extension until Friday, May 6, 1988.

Thank you very much for your assistance in this matter. Please send all future correspondence to me at the following address:
